SUPPLEMENT TO  
REPORT NO.

1. Between 15 and 20 Soviet tankers have been anchored at Braila (Rumania) for some time. Their cargoes, originally intended for Yugoslavia, are still aboard.
2. The position of the mine fields at the mouth of the Danube has been changed. Russian pilots were formerly taken aboard all vessels at the mouth of the Danube and did not leave the ships until the Snake Islands in the Black Sea had been reached. The new procedure for the pilots to follow has not yet been established.
